

TRAINING

Adult learning theory states that lessons need to be applied and evaluated by adults for optimal learning. We integrate this theory into our training by incorporating individual exercises, assessments, role-play, teamwork, skill practice, coaching, and evaluations.

OBJECTIVES

Participants will learn to:

- Recognize key elements of harassment.
- Understand the dynamics behind the behavior.
- Assessing the impact on the individual, productivity and the organization.
- Know your responsibilities and how to take action.
- Use the Guiding Principles as prevention.
